Link Partner Policy:

The WPA-APD will evaluate requests for links from http://wpa-apd.com to external sites on a case by case basis. To make a request for a link to your site, please use the "Contact us" page or contact any of the board members.

General requirements for external links:
1. Shot Program
    a. The target site cannot provide a copy of the current or past WPA-APD official shot program. This helps avoid player confusion with having multiple versions available.
    b. Instead, the target site can link back to the WPA-APD site's shot program page to make the current version of the shot program available.
        i. http://wpa-apd.com/?page_id=23
2. Player Rankings
    a. The target site cannot provide a copy of the current World Rankings.
    b. Instead, the target site may link back to the WPA-APD site's current rankings page.
        i. http://wpa-apd.com/?page_id=17
    c. Target sites that maintain their own rankings must not use "World" to describe rankings other than the WPA-APD official World rankings. The WPA-APD also requests that the target site include a link to the official "World Rankings" to help avoid confusion .
3. Security
    a. To protect our visitors, the WPA-APD reserves the right to remove links to pages that are suspected of being compromised.
4. General
    a. Target sites must maintain appropriate standards for relevance to Artistic Pool.
    b. Target sites must be appropriate for audiences of all ages.
